*Information brought to you by the Department of Culture, Recreation and Tourism – Office of State Parks*

### ***Disc Golf***

18-basket courses at Bogue Chitto, Lake Bistineau, Lake Claiborne, Lake D'Arbonne and Sam Houston Jones State Parks. Free with park entrance; loaner discs might be available, guests should call ahead to confirm.

### ***Tennis***

Four courts at Lake D'Arbonne State Park; call the park at 318-368-2086 to reserve.

### ***Nature Trails (hiking, biking)***

For the serious trail/mountain biking enthusiast, we usually recommend the bike trails at Chicot State Park near Ville Platte, which has 22 miles of trails (the largest trail in our system, as the trails at the other sites run about 2-5 miles in length). Lake Claiborne State Park and Lake D'Arbonne State Park, in the northern part of the state, also have bike trails available; their hilly terrain would also be enjoyed by serious mountain bikers. Fontainebleau and Fairview-Riverside State Parks, located on the north shore of Lake Ponchartrain, are close to the Tammany Trace, a 31-mile "rails to trails" conversion that goes from Slidell to Abita Springs.

### ***Nature Trails (equestrian)***

Bogue Chitto State Park (985-839-5707) - A 14-mile trail winds through some of the most interesting topography of southern Louisiana, with gullies and bluffs hosting a variety of wildlife to encounter. The trailhead is located near Fricke's Cave, just inside the park. Bogue Chitto State Park is located off Hwy. 25, about 5 miles south of Franklinton.

Chemin-A-Haut State Park (318-283-0812) - Located 10 miles north of Bastrop in Morehouse Parish, this park has an eight-mile equestrian trail loop. Beginning at the campground where riders can overnight with their horses, the trail goes through a mixed pine and hardwood forest, bottomland cypress flats and along Chemin-A-Haut creek.

Hodges Gardens State Park (318-586-4020) - The White Horse and South Lake Trails, totaling about 15 miles, are open to the public while the rest of the trails are closed due to their proximity to the Foundation timber farming areas. The corral at the former landing strip area is still available, and overnight unimproved campsites are available. Hodges Gardens State Park is located about 25 miles north of Leesville. \*Note: Entrance fee at Hodges Gardens State Park is \$4/person.

Lake Bistineau State Park (318-745-3503) - On the recently-opened equestrian trail at Lake Bistineau State Park, a variety of wildlife can be seen as the trail winds 6.5 miles through pine and hard wood forests and along Bistineau Lake. The relatively flat terrain allows for a relaxed, comfortable ride. Stalls, a paddock

and corral are provided free of charge to accommodate horses overnight. Lake Bistineau State Park is located 40 minutes southeast of Shreveport in Webster Parish.

### ***Swimming (pools open Memorial Day weekend through Labor Day weekend)***

Wave pool at Bayou Segnette State Park (Westwego); open 10 a.m. to 5:30 p.m., Thursdays through Sundays, \$10/adult, \$8/child (under 4 ft.) wave pool fee.
